Discount Stockbroking for the Independent Investor

If you are an independent investor and take your own investment decisions, then you need look no further for an execution-only stockbroker who will meet and exceed your expectations.

Our experience over the last 25 years has shown us that as an active investor, you want a stockbroker who saves you money and time and makes your investments work harder.

To meet these needs Jarvis Investment Management Ltd have created a one-stop service, which offers an extremely competitive fixed commission when dealing over the phone or online – the **ShareDeal Active account**.

THREE KEY BENEFITS – VALUE, CONVENIENCE AND SECURITY

Value

The **ShareDeal Active account** provides exceptional value. In addition to the **low fixed commission rate of £9.50** (no matter how large or small the deal) there are no joining or inactivity fees or hidden charges. All charges are clearly set out in the 'Account Charges' section of the Terms & Conditions.

Convenience

Opening a dealing account or an ISA couldn't be easier as you can apply online or by post. Our nominee based account will take away all the tedious paperwork as your shares are held electronically – enabling you to concentrate on selecting your stocks.

Contract notes confirming each deal can be sent by email or post; statements and valuations are posted half yearly; an annual consolidated tax certificate providing a summary of dividends will be sent covering each tax year.

As well as placing deals over the phone or online, if you wish you can also view your portfolio and cash statements online at any time.

Security

We believe that our most important responsibility to all our clients is to ensure the safety and security of the assets entrusted to us - both shares and cash.

With this in mind, we have put in place a policy with a major insurance company, which provides substantial protection in addition to that offered by the Financial Services Compensation Scheme (FSCS).

In general terms, as a client you will enjoy the following level of protection of your assets:-

Regulatory Protection - Under the Financial Services Compensation Scheme (FSCS), in the unlikely event that any of the banks that we use is declared in default, each individual client is entitled to up to a total of £50,000 in compensation for losses across all their deposits with that institution.

The FSCS also provides clients of Jarvis (and other organisations regulated by the FSA), compensation of up to £48,000 per investor for securities.

Additional Protection - In addition to the Regulatory Protection, as a client of ours you will enjoy further protection in the event of negligence, fraud or misappropriation through our professional indemnity policy. This provides further cover of £3million. The Financial Services Authority (FSA) dictates the terms and conditions of the policy and the level of protection to Jarvis.

This protection only comes in to play should something happen, but of equal importance is the protection afforded to clients by the regular financial monitoring procedures of the FSA, HM Revenue and Customs and our Auditors, all of whom conduct regular reviews.

In the unlikely event that Jarvis ceased trading for any reason, creditors would not have any claim on client assets, either cash or stocks.

Opening your ShareDeal Active Sharedealing Account

- The quickest and easiest way to open a share dealing account or an ISA is by applying online. Alternatively, if you prefer, you can complete and return the application form.
- If you would like to open an **Investment Club account**, please call us for an application form or download one from the website.
- Once we have received and successfully processed your application you will be allocated a trading account number – this number will be confirmed by email if you applied online, or printed on the welcome letter if you applied by post. Once you are in possession of your account number you will be ready to trade. This number appears on the contract note and statements and any other documentation we produce for you. Please have it to hand when you call us to buy and sell securities and at times when you need information.

Buying and Selling Securities

ShareDeal Active offers a truly diverse trading capability to the independent investor, letting you buy, sell and hold a wide variety of securities.

The main London Market is open between 8am and 4.30pm Monday to Friday (excluding Bank Holidays) though our telephone lines remain open until 5pm.

UK Securities – You can buy and sell all listed securities, government securities (Gilts), and other fixed interest securities traded on the London Stock Exchange, Plus Markets and AIM – this includes exchange traded funds (ETFs), warrants and investment trusts. In addition you can trade in a wide range of UK authorised unit trusts and OEICs.

International Markets - You can buy and sell stocks listed on the various US stock exchanges. Please note – all non-US citizens need to complete a Certificate of Foreign Status (Form W-8BEN).

Customers also have access to most listed securities traded on the stock exchanges of Canada, Australia, Hong Kong, Germany, Spain, France, Norway and Sweden.

How to place an order

Placing an order is very easy - you can either call our dealing team on 01892 510515 or place an order online at www.sharedealactive.co.uk

By Telephone

- Our highly trained dealers are available to handle your calls from 8am until 5pm every day the London Stock Exchange is open.
- When you call, please have your account number, the name of the company or specific security that you wish to trade, and inform the dealer whether you are buying or selling. Although the standard settlement period is 3 days (T+3), you can deal up to T+25 but please be aware that the price may be increased to reflect the extended settlement period.
- The dealer will then provide you with a price quote and you can decide whether you want to proceed.
- If you do, the dealer will need you to confirm the number of shares you would like to buy or sell, or the amount of money you would like to raise or invest.
- If you decide you do not wish to accept the quote you may leave a limit order with one of our dealers at any time during office hours, free of charge.
- **Certificated trades** may be executed using your sharedealing account but you must be in possession of a valid certificate before we can carry out a sale order – if you are in any doubt please check with the company registrar.

To ensure accurate handling of your orders and to verify data, we record all your telephone instructions to us

Online (for dealing in UK Securities only)

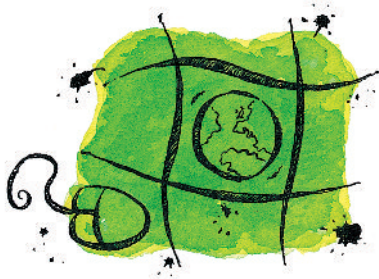

- Log-in using the Username and password that we will confirm to you when your account is opened.
- Select whether you want to buy or sell (you can only sell if you already hold the shares in your portfolio).
- Add the symbol of the stock – this can be found using the Stock Information button on the left hand side of the screen.
- Choose which settlement period you want – this can be from 3 days to 25 days.
- Decide if you are trading a quantity of shares or a monetary value and then enter the quantity of shares or value of money in the appropriate box.
- Finally, choose whether you want to trade straight away ('at Market') or set a limit, enter your Trading PIN and click on the 'Next' button. A price will be displayed together with a breakdown of the charges. You will then have 15 seconds to decide whether you want to accept the price or not. If you do want to go ahead and execute the deal, simply press the Accept button and the order will be executed.
- Your account will be updated automatically and a contract note will be sent, confirming the details of the trade.

Managing your account

As an integral part of the service, we provide account holders with a comprehensive settlement service, based around a nominee account system. This has been especially designed to give customers an easy method of monitoring investment performance and to provide them with increased control over their portfolios. Nominee accounts simplify transaction arrangements and shift the burden of paperwork away from customers, leaving more time to devote to money making in the market.

Money Matters

- Dividends will be credited to your share dealing account upon receipt by Jarvis and itemised on your trading account statement. You can choose to have these sent to you every quarter, free of charge.
- All sale proceeds and dividends will be retained within your **ShareDeal Active Account**. Purchase costs and other charges will be debited from this account at the time a trade is placed.
- Interest on your cash is paid monthly at the prevailing rate set for the **ShareDeal Active** and based on the HSBC Premier Account rate. The current rate of interest can be obtained by contacting Client Services.
- For convenience and security, cash withdrawals from your dealing account are by BACs. Please note that you may only withdraw cash from your account if the balance exceeds any amount required to meet outstanding purchases or charges.
- You can make a payment online by logging on to your dealing account and making a debit card payment. Alternatively call Client Services and pay by debit card over the phone or send in a cheque made payable to Jarvis Investment Management Ltd, clearly displaying your account number on the reverse.
- Please note that when paying for shares you have purchased, we do need to receive cleared funds by settlement date - a cheque payment requires 4 working days to clear and debit cards take 2 working days.

Communications

You will receive:

- A contract note (either by email or by post) for every deal you place, confirming the details of your transaction.
- Valuations posted to you half yearly
- A cash statement sent out half yearly
- An annual consolidated tax certificated for nominee trading accounts
- Online statements and valuations are available 24/7.

Corporate Actions & Rights Issues:

- Where a holding in your dealing account is subject to a corporate action or rights issue, we will contact you in writing with the details to obtain your further instructions.

Making changes to your account:

You may, at some point in the future, wish to add features or make changes to your account. Some changes may be made over the phone; others may be made in writing in order to meet regulatory standards and to prevent any unauthorised changes from being made to your account:
